

GradCafe Analysis Dashboard

1. How many Fall 2026 applications are in the database?

89043

2. What percentage of applicants are international students?

42.50%

3. What are the average GPA and GRE scores?

GPA: 2.75
GRE: 867.56
GRE Verbal: 154.04
GRE AW: 0.39

4. What is the average GPA of American students applying for Fall 2026?

2.88

5. What percentage of Fall 2026 applicants were accepted?

89.75%

6. What is the average GPA of accepted students?

2.76

7. How many applicants applied to Johns Hopkins MS Computer Science?

5

8. How many Fall 2026 applicants were accepted into Computer Science PhD programs?

45847

9. How many records were enriched using the LLM?

Programs identified: 5000
Universities identified: 5000

10. Average GPA by admission status

Status	Average GPA
Accepted	2.77
Rejected	2.67
Interview	2.36
Waitlisted	2.23

11. Top 10 most applied programs

Program	Applications
Computer Science PhD	5754
Computer Science Masters	5292
Physics PhD	4494
Chemistry PhD	3381
Economics PhD	3381
Mathematics PhD	2877
Philosophy PhD	2142
Statistics PhD	1743
Electrical And Computer Engineering PhD	1743
English PhD	1596
